New to Kahoot?

Kahoot! is a game-based learning platform used by millions of people around the world every day to discover, create, play and share learning games. It makes learning fun and engaging for students and teachers, businesses, families and friends.

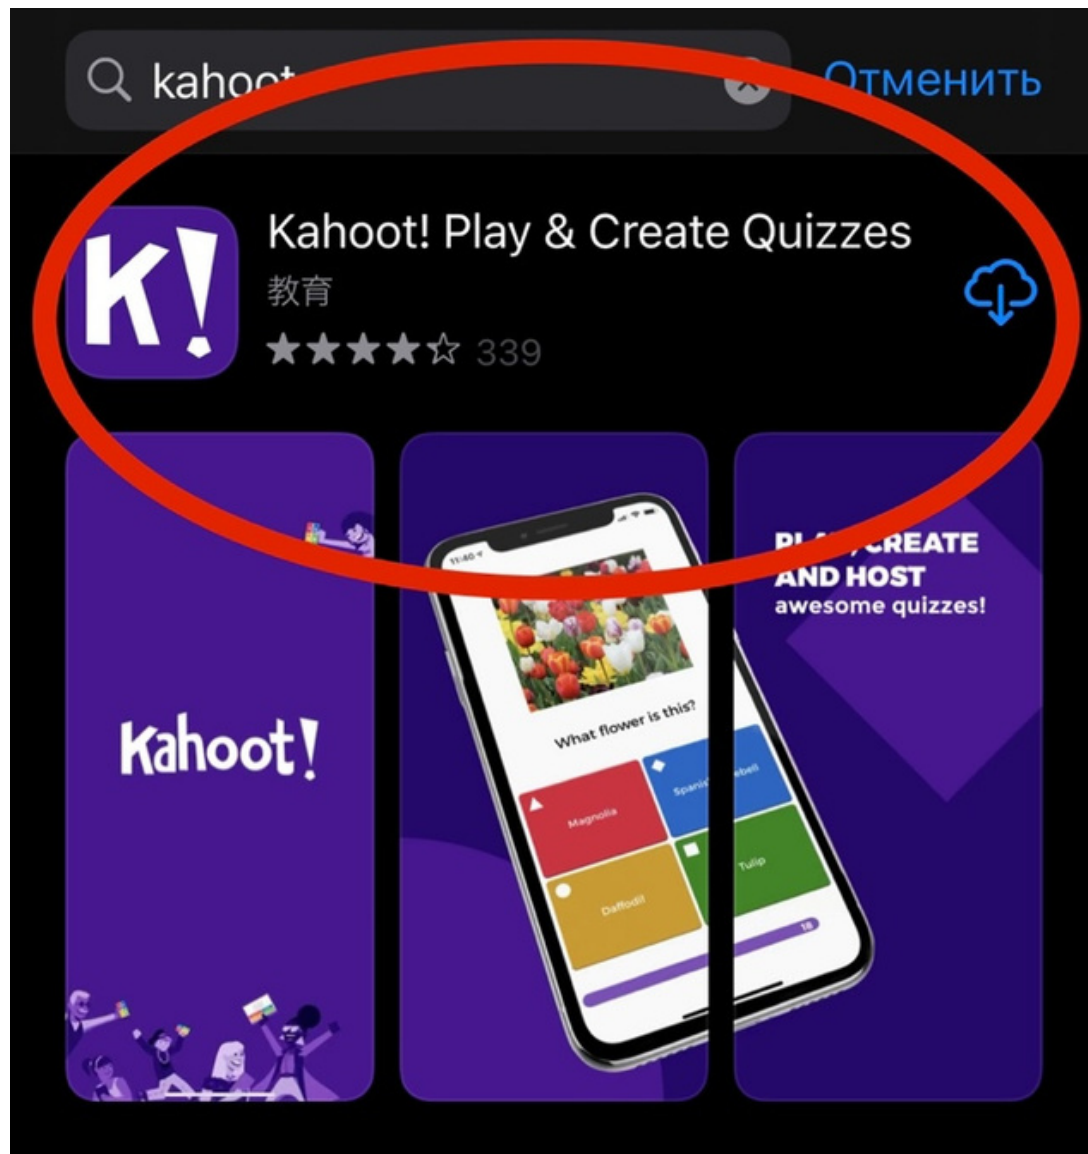

Kahoots are best played in a group setting. To join a game, you need a unique PIN. Players answer on their own devices, while questions are displayed on a shared screen.

How to Play your First Kahoot

1. Prepare two devices (e.g. computer+mobile phone). You will need a screen to see questions and a second device to join the live Kahoot and answer questions.
2. Check your Wifi connection.
3. Join the Zoom via link provided by WFWPI. Make sure your webcam and microphone are turned on.
4. Once all have joined, the Host will choose a game.
5. The screen will display the game lobby with the Game Pin # and joining instructions.
6. Players enter the Pin # in Kahoot! mobile app or at kahoot.it on their devices (computer or mobile) and click Enter.

Do you have only ONE device?

Here's how you can join via video, see Kahoot! questions and participate in the game – all on the same screen!

Split-screen on a Chromebook

1. Join the Zoom. Then, click the window size reducer button in the top-right corner of the window to resize it and drag it to the left side of the screen.
2. Open a new browser window, click the window size reducer button and reduce its size, then drag it to the right side of the screen.
3. Go to kahoot.it in the window on the right to join the game and submit answers.

Split View apps on an iPad

1. Join the Zoom.
2. Swipe up from the bottom of the screen to open the Dock
3. On the Dock, hold the second app that you want to open, then drag it to the left or right edge of the screen – either the web browser to join the game via kahoot.it or the Kahoot! App
4. Use your finger to drag the partition between the windows to resize both windows proportionally
